

Bolton Fall 2009 Girls Division 4

(names are posted in alphabetical order)

Girls U10

There will be no Fall D4 team.

Based on the accumulated tryout data recorded, BSI has elected not to enter a D4 U10 Girls team in the Northeast District's 2009 Fall League. All tryout participants will be placed on a D5 U10 Girls team for the Fall season. Posting for these teams will be listed on our website in August.
