

Bolton Soccer Inc.

An Opportunity for Every Child to Play

We would like to present every opportunity for the children of our town to participate in the Bolton Soccer programs. We understand that there may be circumstances that might inhibit one's abilities to afford the costs and fees associated with certain offered programs and would like to provide assistance to those in need.

Our goal within Bolton Soccer Inc. is to establish a fund to alleviate some of these costs. We will be happy to provide assistance to the athletes that demonstrate the ability, desire and team spirit that is the foundation of what our program represents.

If you have an athlete or know of one that falls under these parameters but may need some financial assistance with the costs involved, please complete the following information and submit to Marty Waung (mwaung@titanmechanical.com).

Name: _____ Child's Name: _____

Address: _____

Phone: _____ Email _____

Please note that due to limited financial resources, BSI offers this program on a first come, first serve basis. BSI reserves all rights to determine the amounts awarded on a discretionary basis at its sole judgment. All submitted applications will remain confidential.
